While it is famous for its vehicles, Honda is also the world's largest manufacturer of internal combustion engines, producing more than 14 million units per year. The company originally started out producing motorcycles, but by 1963 had expanded to include car manufacturing. Since then, the company has produced many popular models, including the Accord, Civic, CRV, and Prelude. It also took part in the IndyCar World Series for the first time in 1994, and in 2004 won 14 out of 16 IndyCar races. At Haynes, we have an extensive range of Honda repair manuals available for professional mechanics and DIY car enthusiasts alike.
