This option only appearsYou can set the defaultIn either case, press. MENU while in Live TV, then. To change the default audio, from the Quick Menu, select Settings, select Setup, then select Audio inTo temporarily change the audio, from the Quick Menu, select Audio Options, then select the audioChapter 3Category Sort. This feature lets you temporarily arrange the Guide to list only programs in a particular category suchWhile in the Guide, from the Quick Menu, select Category Sort. To further narrow your search, selectTo quickly move through the Category. Search results, use the RED or GREEN key on your remote to advance or reverse in 90minutePress GUIDE to return to the regular Guide, or EXIT to return to live TV. Pay Per View. This option enables you to check out DIRECTV Pay Per View listings by category. While in the Guide, press MENU, then select Pay Per View. You will see three choices for sorting thePick Special Events to see specific events such as sports, comedy specials andFind By. Would you like to locate a particular program, movie or sports event you want to see — even showsFind by offers some easy ways to spot justPress MENU, then select Find by. You can find a program by Title, Person, Keyword or Channel. YourRecent Finds. If you'd like to repeat a previous search, select Recent Finds, then select your search to view matchingNote. Keep in mind, when you search with Find by, only those programs slated to air within the Guide's number of days ofChapter 3This option gives you a convenient way to look several days ahead in the Guide, without having toFavorites. Favorites allows you to set up special, customized Guide that shows only those channels you choose. So you can have easy access to the channels you like best, or perhaps a grouping of family channelsWhen you're using a Favorites list, the Guide will only display those channels you've. DOWN on your remote.

<http://leeswoodproducts.com/images/Digital-Aquatics-Reefkeeper-Lite-Manual.pdf>

Keep in mind, no matter what Favorites list you're currently using, you can still always access anyYou can also edit or delete a listPress MENU to display the Quick. Select either Caller ID or Messages from theCaller ID. The Call Log tab displays up to 25 recent incoming calls. Highlight and select a name to delete thatThe Notification tab lets you turn the notification feature on or off. When the Notification option isNote. Receiver must be connected to a phone line. Chapter 3DIRECTV Messages. This feature lets you view a listing of current DIRECTV messages waiting for you. Simply highlightThe messagesParental Controls. Parental Controls enables parents to place certain

restrictions on just who's watching what, and require whether it's for mature content or spending amounts. Press MENU to display the Quick Menu, SELECT Parental Controls, then Edit Settings, and you'll see the system default is "unlocked" for all categories. Ratings. Here you can set rating limits for Movies and TV. Note you can use RED or GREEN to cycle through. Highlight and select the Movies tab, then set the overall rating limit you wish to impose. Brief descriptions of the ratings appear for your guidance. TV Programs. SELECT the TV tab, then highlight and select the TV rating you desire. You can also set ratings for movies, TV programs, and channels. To block programming that has no rating — such as news and sports and shows with a rating of 0. SELECT toggles the item on and off. Chapter 3 Channel Blocks. You can block viewing of a certain channel or channels from this menu. SELECT Chan Blocks in the left menu, then scroll down the channel list to SELECT those you wish to block. Use Block All or Allow All to save time if you have many channels. Spending. From the left menu, SELECT Spending, then set your preferred spending limit. Simply key in the amount using the numbers on your remote. Hours. From the left menu, SELECT Hours, then set your preferred hours during which TV can be viewed.

You can set hours based on "school nights" and weekend nights—Monday through Thursday, Friday, Saturday, and Sunday. Now, lock it. Once you've set the restrictions you want, choose Lock Now from the left menu. You'll be directed to an onscreen message that will appear whenever anyone tries to tune to a channel or program that has a rating restriction. He or she will not be allowed. Using your passcode, you can easily override the limits. Temporarily or permanently unlocking a restriction is easy. To temporarily unlock a particular program, select the program, then select Lock Now. Channel Banner will tell you if the program is currently activated. Unlock Now will appear if you try to tune to a program with a rating restriction. For more unlock options, see the Locking and Unlocking section. Chapter 3 Also note: If you have Parental Controls set and temporarily unlocked, turning the receiver power off and on will not unlock restrictions. If anyone tries to unlock restrictions using an invalid passcode, there's a time limit to change your passcode at any time. Enter your old password, then enter a new one twice to confirm. You can also change your passcode from the menu. DIRECTV Receiver, then wait for program guide information to be acquired. System Upgrades. Your DIRECTV Receiver is able to receive upgrades or modifications to some of its features and functions. If your receiver is on when an upgrade or modification is sent, you may experience a disruption in reception for a minute or two. Your reception should return to normal after the upgrade is complete. Your receiver must be plugged in to AC power to receive any upgrades. Do not unplug the receiver during an upgrade. If preferred, you can have an Authorized Service Representative visit your home for a fee, to set up your digital satellite receiver. For details about this service, call 1800-DIRECTV or visit DIRECTV.com. Please consult the Upgrade Menu to find a DIRECTV Receiver or TV Problems. Progress bar freezes during Satellite Data Acquisition. This is normal. The progress bar times out after two minutes. If your screen is still blank for a few minutes, check the DIRECTV Receiver and most TVs and VCRs let you toggle between video sources.

If you don't see a picture, if problems persist, turn off all equipment that is connected to your TV, wait a few minutes, then turn the TV and receiver back on. Note: Chapter 4 Problems with Caller ID. You must subscribe to Caller ID service through your local phone company. Also, check to be sure your Caller ID feature is turned on (see page 25). If you are plugging your receiver to a wireless phone jack, note that it typically does not transmit Caller ID information. See the user's manual for more information. DIRECTV Receiver will not turn on. Check to make sure the power cord is plugged into the DIRECTV Receiver and the wall outlet. Check the wall receptacle or extension cord to make sure it is "live" by plugging in a lamp. Wait five minutes. Plug it in again. Turns off while playing. Wait 30 seconds, then turn the TV and receiver back on. If this happens frequently, the voltage in your area may be fluctuating. DIRECTV Receiver turns on or changes channels unexpectedly. See page 28. Chapter 4 Blank screen. Your DIRECTV Receiver may be hooked up incorrectly to the TV. Press the INFO button on the front panel of the receiver. If it does not, check the Setup and Connections section. If the DIRECTV Receiver is connected to the RF input of your TV, make sure that the TV channel matches. Press the TV INPUT key on the remote to make sure your TV input is set to the TV input your DIRECTV Receiver is connected to. Press the POWER button on the front of the DIRECTV Receiver. Press the red RESET button behind the door on the front panel of the DIRECTV Receiver. Temporary loss of

the satellite signal or Searching for Satellite Signal message. Your satellite system may be experiencing rain fade, a temporary loss of the satellite signal due to unusually heavy rain. Rain fade is usually brief, lasting only as long as the heavy rain cloud condition persists. Your dish may be blocked. Check that something is not blocking the dish. Check the dish type set in your receiver's preferences. Press the MENU key on the remote control, then select Settings, then Setup. In the next Follow the steps.

From the Satellite Dish Type screen, make The channels might be excluded from the Favorites list currently in use. Press MENU on the remote, select. Favorites, then All Channels, or enter the channel number manually. My video and audio are out of sync. Press MENU, press SELECT on Settings, then. SELECT Setup. Select the Reset item from the left menu and follow the onscreen instructions. My DIRECTV Receiver is "frozen" on a single frame of a TV picture. You must buy the program to continue watching. Press MENU, press SELECT on Settings, then SELECT. Setup. Select the Reset item from the left menu and follow the onscreen instructions. Chapter 4 Remote Control Problems. Problems with the remote control. Make sure the remote control is in DIRECTV mode. Slide the mode switch to the DIRECTV position so the Check the batteries in the remote control. They may be weak, dead or installed incorrectly. Try replacing If you're entering a channel number that is less than four digits long, the receiver might wait two seconds before Press ENTER after entering a channel number to tune immediately. If you are trying to operate a device other than the DIRECTV Receiver that you have programmed the remote A remote control indicator light starts flashing. The batteries in the remote control are running low and should be replaced soon. Note that when you replace the batteries, you may have to reprogram your remote to control other devices. Fine Tuning the Signal. If you self-installed your satellite dish antenna, you may have already used Guided Setup to find the dish pointing coordinates, acquire and fine tune the signal and run a system test. If you need to run Guided Setup again, select Settings Next, press SELECT on Satellite, then select Repeat Satellite Setup. Running the System Test. The System Test allows you to run a basic diagnostics check on your DIRECTV Receiver. If you are experiencing any It will also allow you to get your access card and receiver ID numbers or First make sure that.

Getting Connected, for more information. Follow these steps to run the diagnostics system test on your DIRECTV Receiver. Chapter 4 You should run a system test several times before concluding that there is a problem. Occasional fluctuations in the Limited 90 Day Warranty.
